CITY OF BALL GROUND AWARDED AN ADDITIONAL \$200,000 IN FUNDING FOR DOWNTOWN STREETSCAPES PROJECT

The City of Ball Ground has been awarded an additional \$200,000 in federal funds to be used for the enhancement of pedestrian facilities in the downtown area.

A local grant match of \$50,000 will be provided by the City. This additional funding will make it possible for the City to fund an anticipated 1.3 million dollar streetscapes project in the downtown area, with \$720,000 in funds being awarded from federal grant dollars.
